

CONTACT

everychild. onevoice.®

CONTACT is a great way to share with other units and councils around the state the accomplishments of your PTA/PTSA or Council. It's always exciting to publish articles and pictures in *CONTACT* of the successes and events that our units and councils have submitted.

Don't think your accomplishments are newsworthy? They are, especially if it falls within our PTA Purposes. If you have questions any State Board Member would be more than pleased to help you. We are actively looking to include your article submissions and /or pictures including a brief caption.

CONTACT is the way to share special programs, awards, events, Founders Day observances, Teacher Appreciation ideas, successful fundraisers, etc.
